Date: 22nd June 2026

To: All bidders

ADDENDUM 2

Dear Sir/Madam,

RE: TENDER NO KEMSA-ONT3-2025/2026 PROVISION OF TRANSPORTATION OF NETS CONTAINERS TO VARIOUS DROP OFFS, RETURN OF CONTAINERS TO SHIPPING LINES AND LAST MILE DISTRIBUTION SERVICES TO ISSUING CENTERS

The following queries were raised by an interested bidders and responses provided as detailed below:

Question 1:

Price Schedule 1 provides for "Bid Price (Kshs) for 28 tons" and "Bid Price (Kshs) for 10 tons." However, it does not indicate the number of containers per county, which is necessary for bidders to compute the total bid price per county. Kindly clarify or provide the number of containers per county to enable accurate pricing?

Answers:

We take note and added a column indicating containers per county.

Question 2:

Part II - Procuring Entity's Requirements (Scope 3.11.1) makes reference to Price Schedule rates for items 1A, 1B, 1C, and drop-offs to 18 counties. However, the tender document only provides Price Schedules 1 and 2, and these reference 17 counties. Kindly clarify this discrepancy?

Answer:

The counties are 17, with only two price schedules.

Question 3:

Both the tender document and Addendum One refer to container yard storage; however, Price Schedule 1 does not include a provision for pricing this item?

Answer:

we take note and added a provision to quote for container handling and storage in schedule 1.

Yours faithfully,

Moses Sudi

Procurement Director

FOR: CHIEF EXECUTIVE OFFICER
