To: All bidders,

ADDENDUM 1

Dear Sir/Madam,

RE: TENDER NO KEMSA/ONT30/2023-2024 PROCUREMENT OF FURNITURE AND FITTINGS FOR EMBAKASI SUPPLY CHAIN CENTER OFFICE BLOCK

The following Queries were raised by interested bidders and responses provided as detailed below:

Question 1:

The tender document is not clear on whether to furnish a tender security or not – as it contradicts. Kindly clarify.

Answer:

Tender security is a mandatory requirement and thus bidders are expected to provide with their bids tender security for **Kes. 3,600,000.00** valid for 180 days.

Question 2:

If the tender security is required, do we need the TSD as well?

Answer:

Tender securing declaration is only applicable to AGPO tenders but this is an open tender and therefore, its not a must to fill the form.

Question 3:

On page 84 please clarify on 5.4m L-shaped reception table specifications and respective quantities?

Answer:

Curved 2-Person Reception Desk with elevated corner, designed to accommodate 2 receptionists. Dimensions: 5400mm (W) x 860mm (D) x 1080mm/1200(H). Materials should include durable and functional options like wood, wood veneer, laminate, or glass, with customizable finishes. Features include; Customization options should cover storage configurations such as drawers, cabinets, and shelves, tailored to the specific needs of the reception area., Integrated technology features like cable management systems, power outlets, and optional built-in charging stations, and modular design for customization & ergonomic comfort for receptionist.

Quantities required is 9 pieces.

Question 4:

On page 89 please share specification of 7M L-shaped reception desk?

Answer:

Curved Reception Desk, designed to accommodate multiple receptionists. Dimensions: 7000mm (W) x 2096mm (D) x 1080mm (H). Materials should include durable and functional options like wood, wood veneer, laminate, or glass, with customizable finishes. Features include; Customization options should cover storage configurations such as drawers, cabinets, and shelves, tailored to the specific needs of the reception area., Integrated technology features like cable management systems, power outlets, and optional built-in charging stations, and modular design for customization & ergonomic comfort for receptionist.

Prospective bidders are also required to take note of below details were erroneously captured in the bid document:

Previous requirement	Revised requirement
ITT 16.2 (a) Manufacturer's authorization is: Not required	Manufacturer's authorization is: Is required
ITT 18.1 A Tender Security SHALL NOT BE required	ITT 18.1 A Tender Security SHALL BE required (Kes. 3,600,000.00).

Yours faithfully,

Moses Sudi
