21st May 2026

Purchaser: Kenya Medical Supplies Authority (KEMSA)

Project: Health Emergency Preparedness, Response and Resilience (HEPRR) Program

Country: Kenya

Loan No./Credit No.: Credit Number: 74050-KE

To: All interested bidders

CLARIFICATION NO. 1

RFB NO. KE-KEMSA-536334-GO-RFB - SUPPLY, DELIVERY, INSTALLATION & COMMISSIONING OF THERMO SCANNER, EQUIPMENT, AIDS & ACCESSORIES

The following query was raised by an interested bidder and response provided as detailed below;

Question: For the Fixed Thermal Screening Camera System. Tender specification is very specific to Model, Brand and dimensions: Hikvision DS-2TD2667T-15/P with dimension of 376.1mm × 119.1mm × 118.1mm. It will very likely that company dealing with this brand is 100% for them. Kindly confirm that this is single sourcing tender for single brand and specific model made for particular company with HK vision.

Response: The tender requirement states 'or equivalent'. An alternative can be provided with the same qualities and properties of screening or higher with capabilities of sharing information to central command center for analysis.

Yours faithfully,
