CLARIFICATION 1

RE: TENDER NO KEMSA/OIT05 /2024-2026 SUPPLY OF HEALTH PRODUCTS (LIQUID DOSAGE FORMS, INHALATION PRODUCTS AND TOPICAL FORMULATIONS)

The following query was raised by an interested bidder and hereby respond as follows;

Question 1:

Item number 18, Product Code PM07SEV003 for Sevoflurane, the item description reads "Sevoflurane Solution for Inhalation with Inbuilt Filter" - this specification requested is queued towards only a certain brand of Sevoflurane that is provided by Abbott.

Can we still quote for our product that doesn't have an in-built Filter but one that is provided separately for use?

Response:

Bidders are allowed to quote for product that does not have an in-built filter but will be required to install vaporizers in the Hospital theatres if awarded.

Yours Faithfully,

A handwritten signature in blue ink, appearing to read 'Moses Sudi', is written over a light blue circular stamp.
