## CLARIFICATION 1

### RE: TENDER NO KEMSA/OIT01 /2024-2026 SUPPLY OF HEALTH PRODUCTS (PHARMACEUTICALS)

The following query was raised by an interested bidder and hereby respond as follows;

#### **Question 1:**

Kindly provide the technical specifications for Item No.31- PD01DET005- Enzymatic Detergent.

#### **Response:**

#### **Enzymatic Detergent specifications**

Pack size: 4 Litres

Formulation of protease, amylase, lipase, carbohydrates and proprietary enzymes with A.P.A (Advanced proteolytic Action) which removes all bioburden.

Must inhibit rust.

Must be a multi-tiered enzymatic detergent designed for both manual cleaning and compatible with ultrasonic washers.

Must be safe for use on all instruments and scopes, and should not harm any metals, plastics, rubber or corrugated tubing.

Must be non-foaming.

Must be of minimal dilution rate (at least 4ml or less per litre of water).

Elaborate instructions for use e.g dosing/ dilution range, recommended cleaning temperature (machine, ultrasonic & manual).

Yours Faithfully,

*for* Moses Sudi
