

KENYA MEDICAL SUPPLIES AUTHORITY CAUTION TO THE PUBLIC ON FRAUDSTERS

It has come to our attention that there are fraudsters masquerading as KEMSA Agents promising to give business opportunities to unsuspecting Kenyans.

KEMSA wishes to warn the public that the Authority procures its' Health Products and Technologies (HPTs) and other services directly from prospective suppliers and does not use third parties.

Further, the Authority would like to advise the public that for its current running tenders or emergency procurements they should visit our website or seek clarification from the Chief Executive Officer, KEMSA.
