CLARIFICATION 1

Attn: All Prospective Bidders

**RE: TENDER NO. KEMSA/OIT02/2022-2024 SUPPLY OF HEALTH PRODUCTS
(PARENTAL FORMULATIONS)**

The following queries were raised by interested bidders and we hereby respond as follows:

Question 1:

Item No 1. Human Albumin Infusion Solution 5%. The strength that we stock is Human Albumin Infusion Solution 20%. Kindly confirm if we are permitted to quote for the strength that we stock.

Response:

The item we need is Human Albumin Infusion Solution 5%.

Kindly stick to the specification.

Question 2:

Item No.19- Hepatitis B vaccine (Adult) 20mcg/ml, 1ml Vial, Please confirm the following regarding the following item:

1 vial per pack is required for evaluation. Our pack size is 50s, please confirm it will be acceptable to provide a sample of 1 vial in a pack of 50s and if awarded, supply using the same pack size.

Response:

The request is acceptable on condition that the vial is individually packed (at secondary pack level, each with its literature) such that it can be sold or dispensed as such.

A handwritten signature in blue ink, appearing to be 'J. M. ...', is located at the bottom center of the page.

Question 3:

Item No.18- Naloxone Hydrochloride Injection - 400mcg/ml

We seek clarification for submission of samples for above product that falls under Restricted Drugs and it requires special import permit as per PPB classification. Moreover, no carrier company and airlines carry small quantities hence instead of sample can we submit pack short of the item.

Kindly clarify.

Response:

Waiver on sample submission for this particular product is granted.

Evaluation will be based on detailed brochures, patient information leaflets and clear photographs (of the real product and its packaging showing all product particulars including manufacturing & expiry dates, batch numbers and other relevant information that cross-references with other mandatory document).

Yours faithfully,

JOHN KABUCHI
