To all Bidders,

ADDENDUM NO. 1

Dear Sir/Madam,

RE: TENDER NO. KEMSA/ONT10/2023-2024 FOR SUPPLY, INSTALLATION, TESTING AND COMMISSIONING OF DIGITAL BOARD MANAGEMENT SYSTEM

The following Queries were raised by interested bidders and responses provided as detailed below.

Question 1:

We have started working on the tender but we have a few queries:

1. Number of user licenses: we need to determine the number of user licenses required. How many users will access the platform?
2. Infrastructure requirements: to tailor our solution effectively, it's important to establish whether a cloud-based solution is ok?

Answer

1. We need a total of 20 licenses.
 - 15 licenses to be used by board members and secretariat.
 - 5 guest licenses to be used by managers and other people attending the board meetings on invitation.
2. This will be a cloud-based solution.
